

1872-005 Chancery Causes: Joel Ferguson vs. George R. Ely
Lee Co.

Ferguson

CA - Debt
T - Property

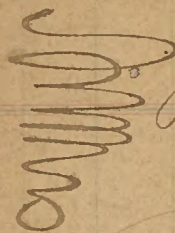

To the Honorable Henry J. Morgan Judge
of the County Court of Lee County -
Your Orator Joel Furgerson, humbly
complaining sheweth unto your Honor that
at the Term of your Honorable Court
your orator obtained a judgement against
one George R. Ely for the sum of \$53.70
with legal interest thereon from the 1st
day of January 1870 till paid and the
costs \$6.02 This judgement your Orator
had docketed upon the judgement
docket, so as to create a lien on the
said Ely's real estate - and then ex-
ecution issued from said office made
returnable to the first Monday in June
1871, and was placed in the hands of
Thomas J. Brown deputy for C. L. Hamblin
sheriff of Lee County for collection, and
was returned by an endorsement thereon
made, "no property found," which said
fiara facias marked A. accompanies this
bill, and is prayed to be considered
^{this judgement nor no part thereof has ever been paid to your orator}
herein. Your Orator now alleges that the
said Ely owns a tract of land situate
in this County, on the waters of Sugar
Run, the rents and profits of which will
in five years pay your Orators claim
and the costs of this suit, but in this

he may be mistaken, he alleges the
said land will if sold pay the same,
and even more. The object of this bill
is to, enforce your aforesaid claim, and
have a decree rendered, setting out said
land for a sufficient time to pay the same
in the event it will do so in five
years; and if not then that a sufficient
amount be sold to pay and discharge
the same, To effect which His prayer
is that George R. Ely be made a
party defendant to this bill and answer
its allegations on oath, that upon a hearing
a decree be rendered, in conformity with
the principals, and object of this bill
and for all other further and general
relief, May Commonwealth refuse issue
&c.
